## ACCIDENT WHILE INTOXICATED

### BARS MOTOR LICENSE GRANT

Hearings were given in New London Thursday by Inspector Merwin E. Snow of Hartford for granting of automobile licenses to drivers who had figured in accidents or convictions.

Two licenses, those of Fred Tupa, 35 Main street, Norwich, and Joseph Jasky, 282 Pequot avenue, New London, were restored. The inspector refused to issue a license to William Hayman, 1 Summer street, New London, and named Herman Katz, Winthrop street, who had a record of two accidents and one conviction against him.

Tupa was represented by Attorney Perry J. Hollander. He was alleged to have evaded responsibility. He informed the court that he wished to end the thing business and that he had no children to support. The court believed that the man should be given another chance.

Francis P. McManus, 19 Winthrop street, New London, appeared on the charge of operating a car while under the influence of liquor. The court required three character witnesses in this instance and McManus was granted a half hour in which to get his witnesses. William Hayman was denied a license due to the fact that while under the influence of liquor he had run into two automobiles and had caused injury to two people.

## Only Woman Supreme Court Marshal In The Country

Chief clerk of the Supreme Court of Oklahoma, who is also marshal of the court. She holds the distinction of being the only woman in the United States holding down such a position in a Supreme Court. Mrs. Lewis' duties are many. She calls every session of the court to order. Technically she has to make arrests, too, but thus far she hasn't made one.

When you have something to learn, thousands who have piles have learned the quick and permanent relief can only be accomplished with internal medicine. Neither cutting nor any amount of treatment with ointments and suppositories will remove the cause.

Had circulation causes piles. There is a complete stagnation of blood in the lower bowel and a weakening of the parts. Dr. J. Leonard was first to find the remedy. His prescription is HEM-RID, a tablet medicine, taken internally. It is now sold by druggists generally. Dr. Leonard tried it in 1,000 cases with the marvelous record of cures in some cases, then and then decided it should be sold under a right money-back guarantee.

Don't waste any more time with outside applications. Get a package of HEM-RID from Lee & Osgood today. It has given relief and cured thousands of people, and should do the same for you—it seldom fails.
